

Wiley College

You may contribute to the College online or make a check payable to:

Wiley College and mail to:

Office of Institutional Advancement
711 Wiley Avenue
Marshall, TX 75670

Wiley College needs your support to help countless young men and women earn a college education.

Public and private revenues generated through tuition, fees and grants provide for only essential operating costs. It is the dedicated support and generosity of alumni and friends that make the difference between an average education and an excellent one.

Your generosity will reduce the financial barriers to college and also will support quality education in a nurturing, yet challenging environment.
