POLICY STATEMENT
Veterans with at least one year of military service may be allowed a maximum of six (6) semester credit hours in health and physical education in accordance with the recommendations of the Commission on Accreditation of Service Experiences. In addition, if a veteran is seeking admission to the College’s Evening and Weekend Program, including Organizational Management and post-baccalaureate programs, the candidate may qualify for credit for prior learning experiences. Veterans should submit official copies of service records for evaluation prior to initial matriculation.

The institution has updated, implemented, and published its credit policy for policy determining the amount and level of credit awarded for its courses, regardless of format or mode of delivery. In terms of the awarding of credit, the College makes no distinction between credits earned in face-to-face courses, versus those credits earned by distance education means. Simply stated, credit awarded for courses taken at Wiley College is the same regardless of delivery method as transcripts do not record delivery method.
