Greetings Wiley Wildcats!

Our thoughts and prayers are with you and your loved ones during this difficult time. Please know that we are lifting you in prayer. Please continue working hard to finish the semester strong.

As you know, Commencement was originally scheduled for May 2, 2020; however, it is with great sorrow that we regret to inform you that Spring Commencement has been postponed. This communication comes in accordance with guidance and recommendation from the Center for Disease Control and Prevention. In the interest of the safety of all, we have made the difficult decision to reschedule Commencement.

The College is currently working with Marshall High School to tentatively reschedule the exercises on Saturday, August 1, 2020. We will continue monitoring the worldwide situation regarding the coronavirus (COVID-19) and provide timely updates.

We sincerely apologize for any inconvenience this may have caused and look forward to greeting you, your family, and friends at Commencement in the near future. Should you have any questions, please don't hesitate to contact the Office of the Registrar at [registrar@wileyc.edu](mailto:registrar@wileyc.edu).

Go Forth Inspired,
