

From the Office of the President:

Welcome back, Wiley Wildcats! As we enter into full campus-wide quarantine posture, it is imperative that each of you participates fully to reduce the spread of COVID-19 on campus. campus-wide quarantine is in effect from January 12 - 22, 2022 (with the understanding that the quarantine may continue due to rates of COVID-19 spread and issues of safety).

Campus-wide quarantine is designed to create a "bubble" around campus. As a result of returning to campus, you agree to adhere to our campus-wide quarantine protocols. **Students who choose not to adhere to campus-wide quarantine protocols will be suspended from campus immediately.** The protocols are as follows:

- **The physical campus is currently only accessible to residential students** (students who live here). Off-campus students who need to access campus must request permission from the Dean of Students (kmwilliams4@wileyc.edu) to receive clearance and schedule their COVID-19 testing before engaging on campus. If you need to access health services for a COVID-19 test due to having symptoms or exposure concerns, please contact Dr. Lundy (rlundy@wileyc.edu) immediately.
- **All meetings with faculty, staff, or departments must be conducted virtually** through appointments. Please do not drop by offices or departments during this time. Classes are virtual during the campus-wide quarantine. Please ensure that you have engaged your faculty for directions regarding accessing your courses.
- **Students must wear their masks at all times**, in shared spaces, residence halls, and outside, regardless of familiarity with others. When walking outside with others or near others, you must wear your mask.
- **Residential students must stay on campus during the campus-wide quarantine, and non-residential students are not allowed on campus without permission from the Dean of Students office.** Traveling about campus via vehicle is prohibited. Persons who leave campus will not be allowed to return and are subject to suspension. Please do not attempt to sneak off-campus through the gates or parking outside the gates. Contracted security and **Wiley College Campus Police and Security will be in various locations throughout campus to enforce adherence to this component of the campus-wide quarantine. If you need to leave campus for work-related or medical-related experiences, you must have approval from the Dean of Students (kmwilliams4@wileyc.edu).**
- **During the campus-wide quarantine, there is a 10:00 pm curfew.** Persons should be in their residence hall during this time. Gatherings are not permitted.
- Students may not have visitors or guests during the campus-wide quarantine. Guests or visitors on campus who have been approved are here for official business, registered with their host office/department, and have been tested for COVID-19. These registered guests must wear their masks at all times.
- Students **may not gather in groups** during this time. There will be activities sponsored by College staff under social distancing guidelines.

- Students have been assigned times for accessing dining services based upon their residential experience. All students should have a color-coded wristband that denotes when to access the dining services. If you did not receive a wristband, please contact your resident assistant immediately to receive your wristband.
- Students will be required to participate in COVID-19 testing based on a random and/or mandatory schedule. Please adhere to the request for testing immediately.

How protocols will be enforced:

As you know, the COVID-19 Global Pandemic has not ended and the Omicron variant is considered HIGHLY CONTAGIOUS. Our efforts last semester during the campus-wide quarantine and vaccination policy and regular testing decreased the impact of COVID-19 on our campus. Given the circumstances, we continue to be vigilant to create the safest environment possible. Therefore, students must adhere to these protocols. Students who choose not to adhere to campus-wide quarantine protocols will be suspended from campus immediately.
